Section 1. The Employer recognizes the Federation as the sole bargaining agent for all employees working at the Vehicle Services Bureau, excluding all supervisory, management, and confidential employees.

Should a dispute arise concerning whether an employee is supervisory, management, or confidential, either party to this Agreement may petition the Board of Personnel Appeals for a unit clarification.

Section 2. Employees covered by the terms of this Agreement shall not be required to become members of the Federation

Section 3. A written list of the accredited officers and representatives of the bargaining unit shall be furnished to the agency director immediately after their election and the agency director shall be notified of any changes of said representatives within seven calendar days.

ADDENDUM A

BROADBAND PAY PROVISIONS Title & Registration Bureau, Department of Justice – MPEA July 1, 2019 through June 30, 2021

This addendum represents the parties' complete Agreement for the 2019-2021 contract term concerning the placement, adjustment and progression of bargaining unit employees' pay under the broadband pay plan authority prescribed by Section 2-18-303, MCA. The provisions of this addendum supersede the Department of Administration's broadband pay plan policy where the two conflict.

Section 1 – Statement of broadband pay plan goal. It is the goal of the Motor Vehicle Division, Vehicle Services Bureau, to use competitive pay ranges based on market factors and to progress employees to target.

Section 2 – Occupational market pay. Except for employees under training assignments and employees in positions identified in Subsections 1 and 2 below, all employees will be paid at no less than entry rate for their assigned pay range as shown in Schedule A below. These pay ranges will remain in effect for the life of this Agreement.

SCHEDULE A Occupational Pay Ranges – Vehicle Services Bureau (VSB) Effective the pay period that includes January 1, 2020					
SOC Job Code	SOC Job Title	Working Titles	Band	Entry	Market Rate
436133	Admin Assistant	Administrative Assistant	3	14.681	
434313	License Permit Technician	License Permit Technician	3	14.807	\$15.29
434313	License Permit Technician	License Permit Technician, LEAD	3	17.062	\$15.29

Subsection 1. Base pay for lead workers in the same occupational pay range and band. The pay range for lead workers shall be established at between 5% above the lowest paid and 5% above the highest paid employee in that work unit. In situations where a successful candidate's current base wage is already above market, the employee's salary may be increased up to five percent, not to exceed the maximum for the occupational range.

Section 2 – Hiring rates. Employees new to state government will typically be hired at the entry rate for the occupation as shown in Section 2. At the discretion of the department, exceptions may be made for reasons such as the employee's job-related qualifications and the competitive labor market. Other considerations may include existing salary relationships within the job class, band and work unit and the agency's ability to pay.

Section 3 – Training assignments. The Department may establish written training assignments to enable an employee to gain the additional experience and training required for the job. In these cases, the Department may set the employee's base pay rate below the minimum entry rate for a period of time not to exceed one year, and may allow for periodic increases as the employee meets training assignment milestones. At the completion of the training assignment, the employee's pay will be set no less than the entry rate of pay for the occupational pay range.

Section 4 – Promotions, transfers and demotions. The following provisions apply unless the Department makes an exception under special circumstances with notice to the union.

- A. **Promotions into positions in a higher pay band.** A promotion is the advancement of an individual to a higher-level job in a higher-level pay band or pay range within a band for the same job class based on qualifications and a significant change in work content. A promoted employee will receive up to a 10 percent pay increase or move to the entry of the higher pay band for the new position if the 10 percent increase is below entry, unless the employee is promoted into a training assignment as described in Section 5 above.

At the discretion of the Department, an employee's salary may be increased above the 10 percent for promotions.

- B. **Transfers into positions in the same pay band.** An employee who is temporarily or permanently transferred to a position in the same pay band but different job class will be treated as a lateral transfer with no change in pay unless:

- (i) the employee's current base salary is below the entry rate for the occupational pay range,
- (ii) the duties of the new position are specialized, and the employee possesses relevant special skills and/or experience.

At the discretion of the Department, the employee's salary may be increased up to the target rate for the new position.

- C. **Demotions.** The Department will typically set the base wage of an employee demoted to the position in a lower pay band anywhere between entry and target for the occupational pay range, or the Department may, at its discretion, maintain the employee's current salary.

Section 5 - Should Section 2-18-303 MCA be amended to permit wage increases the parties agree to negotiate the application of that amendment.

Across the Board Pay Adjustments

The State shall increase each employee's base salary by \$.50 per hour effective the first full pay period that includes January 1, 2020 and \$.50 per hour the first full pay period that includes January 1, 2021.

Further, in accordance with Section 2-18-303(4)(a)(i), these adjustments will not be provided to employees until the State receives written notice that the employee's collective bargaining unit has ratified the agreement. If that notice is received after the effective date of the pay adjustment, the adjustment will be paid retroactively.

Employer Contributions for Group Health Plan

The Health Care and Benefits Division is managing the State Employee Group Health Plan to contain costs and minimize member cost impacts. Member contributions, copay amounts, deductibles, coinsurance levels, and maximum out of pocket levels will not increase through December 31, 2020. The State's share contribution (currently, \$1054 a month) will not change during the same period.
