This agreement represents the parties' full and complete agreement for all provisions of the Broadband Pay Plan under the term of this contract.

Section 1. Across the Board Pay Adjustments

The State shall increase each employee's base salary by \$.50 per hour effective the first full pay period that includes January 1, 2020 and \$.50 per hour the first full pay period that includes January 1, 2021.

Section 2. Longevity. All of the calculations are base rates and not inclusive of longevity.

Section 3. Hiring rates. Employees new to state government will typically be hired at the entry for the occupation. In determining a new employee's hiring rate above entry, the Supervisor, or designee, shall consider criteria such as: the employee's job-related qualifications and competencies; existing salary relationships within the job class and work unit; department affordability; and the competitive labor market.

Section 4. Training Assignments. The Supervisor or designee may establish written training assignments to enable an employee to gain the additional experience and training required for the job for a period of time not to exceed two years. At the completion of the training assignment, the employee's pay will be set no less than the entry rate of pay for the occupational pay band.

Section 5. Market-based pay: Pay awarded to employees based on comparisons to how other employers compensate employees in similar jobs. Market-based comparisons consider not only base pay, but also other types of compensation and benefits having a definable dollar value. The Department may consider market-based pay adjustments on a case-by-case basis.

Section 6. Competency-based pay: Pay based on an assessment of an employee's job-related competence. The Department may consider competency based pay adjustments on a case-by-case basis.

Section 7. Results-based pay: Pay awarded to employees or employee teams based on accomplishments. Results-based pay may be awarded for specific outcomes or outputs. The Department may consider results based pay adjustments on a case-by-case basis.

Section 8. Strategic pay: Pay awarded to attract and retain key employees with competencies critical or vital to achievement of the Department's mission or strategic goals. The Department may consider strategic pay on a case-by-case basis.

Section 9. Situational pay: Pay based on circumstances that occur that are not

encountered in either the majority of jobs in state government or jobs used to make market comparisons. It is intended to address difficulties in recruitment and retention. It may be considered when atypical requirements exist in a position, for example, unusual hours, extreme physical demands, or environmental hazards that are causing recruitment and retention problems. The Department may consider situational-based pay on a case-by-case basis.
